OUR STORY

When a building celebrates its 100th birthday it has quite a story to tell. The building located at 110 W 11th Street, here in Hays, Kansas is no exception.

Constructed in 1920 by Dr. Middlekauff, it first opened as Czesbkleba Music Co. and remained a music store through the 1920s and 1930s. The 1940s Nick Arnhold & Sons used it as a refrigerator company before it became Humbug Hardware in the 1950s. It would become the home of the local gym, Sturdy Bodies through the 1990s before a major restoration into the coffee shop Semolino's.

Now the new owners, Jacob and David Proffitt, wanted to create a place that would not only offer the areas best BBQ, but honor the history of the businesses that have existed here throughout the last 100 years. Our goal has always been to build businesses that compliment the community of Hays. **In Hays we are all family.**
